Other Internet resources for community work, community research and communitarianism

With the rapid expansion of Internet Services the aim of this section is simply to give a small number of useful entry points to a global information network. Many of them are already connected by hypertext hot links. It is recommended that users surf and explore, using the standard search engines and directories of services which are available electronically.

World wide web sites for Communitarianism

The COMMUNITARIAN NETWORK maintains a web page with the key Etzioni documents and a mailing list for discussion of communitarian themes.

connect via <http://www.gwu.edu/~ccps/index.html>

The Communitarian Open site maintained by Dario Zanon in Italy is a useful discussion forum for communitarian ideas...

<http://vega.unive.it/~joyce/cos>

The Canadian Communitarian forum is found at

<http://www.canniff.com/canforum.html>

An archive of on line discussions on communitarianism are found at
